# 1. How GOD really love you

We often think that God love other people much more than He love us. We see some other people around us are blessed with many things which are much more than what we think they deserve. But actually the truth is that God love you too, and He really really love you. He love you much more than you realize. If you think other people are blessed more than you, that is because you often take those things for granted. It happens because you often do not praise Him for all things that you receive from Him. For example, you do not praise Him because you do not want to recognize that all what you have now are actually given from above. It is because you think that those are the result of your hard work or because you do things better than others, or because you think you can learn things faster than others.

Other people also think the same as you do, they always want to have more than what they need, because they think it is all the result of their hard work, and the more time they spend to work then they will get more than others. This is why people become very busy to work and collect many things more than what they actually need; it is because they want to be more secure for as much time as possible.

Actually your Father in Heaven love you very much, and He know that you need all those things, and He take care of your life and your family too. Don't worry about what you shall wear or what you shall eat tomorrow, because God will give what you need no matter what. Look at the fowls in the sky, they do not sow and they do not reap and they do not gather, but your Father in heaven take care of them. And you are much more valuable than those fowls, aren't you?

Take your time and please read Matthew 6:25-26.

So you should be faithful and full of faith, that way you can please your Father in heaven. Then your life will be full of happiness because you don't have to worry of all those things that you need. Why should you spend your life worrying while actually you can be happy, but in order to be happy you need to be faithful and full of faith then you can realize how much your Father in heaven love you.

This article was written by me, but it was dictated by Jesus Christ Himself word by word. He allow me to do that because I was lack of previous training to serve

Him in church as a professional. But He love me and help me to become His messenger and carry His message to you and to other people in the world. Thanks God, this article is also a gift from God, because now you can read what He want you to do in your life, because the second coming of Jesus Christ will be very soon. He allow you to read this article, and it is also a gift from God.

I am happy to speak about Jesus Christ, and how He love me and what He have done in my life, and how He really love you too, and about what He can do in your life too.

## 2. How GOD give us hope

Many people find their life hopeless and that is why they put themselves in so many miserable things. They do drugs, they jump into the river, and other things. They feel hopeless because no one around them who can help them solving their problems. And if there is someone they know who is able to help, he prefers to stay away from the problems of other people. Actually that is not true, God is waiting for you to help you solving your problems. And He really really love you. He want you to be faithful and full of faith before you let Him help you.

William Carey wrote "Hope is ability to hear the music of the future, but faith is having the courage to dance to it today." That phrase is also relevant to me, before I repented I find myself clueless no matter how many times I pray and read the Bible, because I find my life less meaningful. I used to think that I can do something good without God's help, but I find that all I have done is going nowhere. I think it over and over in order to improve my life but I did even more many mistakes. And then a few months ago I realized that I really really need help. Then I prayed if God help me to solve my problems, I will serve Him for the rest of my life. Now I repented and He help me to solve many problems, including my brain. He told me that there are many forms of illnesses in my body, because I did not serve Him for so many years. Our brain is like harddisk, and my harddisk almost crashed, it is too fully loaded, and I do not know what happens not to mention how to solve it. Now Jesus Christ help me to repair all bad sectors inside my brain. Now I can think much better, because He is good Doctor. He taught me what is the best medicine and He also helped me to solve so many personal problems.

He is the Good Shepherd. I wish you to know Him too. Do not fail yourself to receive Him, it's your life. ### 3. How you can do your Father's Will in your life

We often think that what we do in our life have already met what GOD expect us to do. And then you see that people around you is blessed with many things in their life, therefore you think that it is God's will for you to obtain the same things in your life too, so that you should work hard in order to obtain those things.

It is actually wrong to think like that, because God's will in your life is quite clear: you should love and care each other. And you should love God with all your heart, all your soul, and all your mind without reserve. Please read Matthew 22:37-40, and Deuteronomy 6:4-5:

"Hear, O Israel: The LORD our God is one LORD: And thou shalt love the LORD thy God with all thine heart, and with all thy soul, and with all thy might."

To love and care each other mean you should take care people around you who need help, and you should be compassionate. God is merciful and you should be merciful too. You should forgive your brothers and your sisters and do not pray in order that they will be punished. You should take care of them and your parents too when they are getting old. You should give food to those who are hungry, you should give drink to those who are thirsty, you should find a job for those who are jobless, you should give your money to those who are poor and need it so much in order to continue their life. You should also take care those who are sick, who are very old, who cannot pay their rent, who cannot bear the burden of their life.

You should also take care those who are frustrated because they cannot do work for themselves. You should care about those who are disabled and those who are paralyzed. You should be a good friend to those who are lonely, who need attention, who need protection, and those who lose their family. You should give shelter to those who are homeless. You should give your clothe to those who need clothe so much. You should allow strangers to your house who come to stay, because you do not know if they are angels who come to save your live and your family. You should set free those who are caught without reason. Read carefully John 13:31-35, and I Peter 4:7-11.

Yes those are the basic needs in human life, and there are so many people who need help in order to fulfill their basic needs. Sometimes they make mistakes in

their life in the past so they become who they are now, but they remain human and should be taken care of.

Take your breath and please read Matthew 25:31-40.

Now you know how you can do your Father in Heaven's will in your life. God really really love you.

Note: this article is written by me but actually it was dictated by Jesus Christ Himself word by word, except the first paragraph, because He allow me to put the first paragraph in this writer's style. Even the first paragraph was written under His guide. He allow me to do that in order to give time to others to repent because He love them too, because they asked Him to answer their pray that He allow me to write a paragraph in this writer's style. This is the proof: He allow me to write the first paragraph in this writer's style, but the remaining paragraphs are written by me word by word in strict accordance with what He tell me to write.

I am happy to speak about Jesus Christ and how He really love you too. He want you to live a living full of happiness, but in order you to arrive at such a condition, you should repent and then receive Jesus Christ into your heart, and read the Apostles' Creed and the Nicene Creed. And you should be able to read from your memory at least one of these creeds without reading from text. That is also God's will in your life. Therefore you should begin to learn to read the Apostles' Creed and the Nicene Creed from your memory. You should also work hard in order to make fruits for your Father in heaven. He will not be pleased if you meet Him and you do not make fruits for Him in your life.

## 4. How you can help to take care of the world

Jesus Christ now help you people in all nations who repent and receive Him. And He want you to help to take care of the world in order to prepare other people for His second coming. He will come back soon and everybody should prepare himself according to the Bible.

How can you help to take care of the world? By helping other people who need help so badly. You should give food to those who are hungry. You should give drink to those who are thirsty. You should give your clothe to those who need clothe. You should give shelter to those who are homeless. You should give job to those who are homeless. You should release those who are caught without reason.

You should find a way to be fruitful and useful in Kingdom of Heaven, because God really really love you and therefore you should love each other. And there is no way to come there if you do not listen to His Voice and do His Will in your life. You should listen to Him first, and in order to listen to Him you should repent first and receive Jesus Christ, and then read the Apostles Creed and the Nicene creed. And you should be able to read from your memory at least one of these creeds without reading text. In order to do that you should practice often numerous times to read these creeds from your memory and do not forget to attend to weekly sermons regularly.

Make it your best, it's your life. Be hurry to repent and stop doing all your sins, and receive Jesus Christ. We love you all nations but time is very limited. We will come again very very soon, be hurry be hurry to repent and receive Me, Jesus Christ. It's your life. Please tweet and distribute this message to all your friends quickly.

## 5. How GOD give you repentance

People often think that it is very difficult to repent. That is why most Christian people prefer not to speak about repentance. They prefer to speak more about blessing, blessing, and prosperity. They think that God bless them only if they pray over and over again. Actually this is wrong belief. Your Father in Heaven already bless you. He will not leave you. He already take care of you, He bless you with all good things in your life. He know what you need and that you need them. Please read Matthew 6:25-34.

Some people take these blessing for granted only. They do not praise Him, nor they do not repent and stop doing all their sins. And God can pause His blessing for a moment in order that they can admit that they keep do their mistakes and sins. You should know that all your sins are the obstacles between you and your Father in heaven. That is why you should repent and stop doing all your sins. Please read Joel 2:12-14, Isaiah 1:18-20.

Now is the time of repentance and you really really should stop doing all your sins. You should know that repentance begin if you admit that you already do many mistakes and sins, and you regret for doing all of those sins in your life. Many people do not admit their sins, because they think they live normally as other people do. They go to party, they do dance, they do not take care their family properly, they put obstacles to other people especially Christian people in order that other people fall, and they intend to use their falling as an excuse that because everybody fall then they can do as many sins as they like. It is evil work.

Do not do those sins again. It is your life. Do not do even more mistakes on purpose that you can blame your brother and sister. If they do mistakes, do not think you are allowed to do the same mistakes. It is a blasphemy.

You will find that God give you repentance by grace. Therefore pray and ask to Him to give you repentance. You should fast in order you can admit your sins properly, and doing that with all your heart. You should know that you must love God with all your heart, with all your soul, and with all your mind without reserve. And if you do not love God with all your heart, it is a blasphemy too. Please read Matthew 22:37-40, Deuteronomy 6:5.

We love you all nations, be hurry be hurry to repent and receive Me, Jesus Christ. Please be hurry, because time is very limited and repentance takes some time. Find a guide to help you repent and receive Me, Jesus Christ, in this link <http://GoodNews.getfreehosting.co.uk/digfile/cms/index.php> (please login with 'visitor').

This article is written by Me, Jesus Christ. Me allow you to read this article so you can repent and receive Me, Jesus Christ. Be hurry to repent and receive Me, Jesus Christ. Pray and ask to God to give you repentance and that you can do repentance properly. That is very important step.

It is good to fast a few days in order you can repent properly, and do that with all your heart. Ask to your Father in heaven to give you new heart and new mind. Please read Joel 2:28-29.

## 6. How GOD care you

We often think that God ask us to do many things in our life, but He do not care how difficult it is to follow Him. We often think that God leave us alone with many problems that we have to solve in our daily life. But it is not true.

Actually God really care you and your life, He want you to live a life full of happiness and full of His grace. But because you do not repent and you do not stop doing those sins and many other things that God do not want you to do in your life, it makes your life suffering and full of sorrow.

Now if you want to realize how God care your life and if you want to live a life full of happiness, then you should repent first and stop doing all those things that God do not approve today. You do not have right to do anything without His permission, because He is your Creator. It means that you have no right at all, because all that you have and even your life is given by God. All is a gift by grace from God. Therefore if you do not follow Him and do what God's Will in your life, it means that you are a rebel to your Creator. But how can you think that you have right to do other things which are not God's will in your life? Don't you know that your life, your body and even your breath is given to you from God Himself? God's will in your life is quite clear: you should love each other and take care each other just like you love and take care yourself. And you should love God with all your heart, your mind and your soul fully without reserve. Please read Matthew 22:37-40, Deuteronomy 6:5.

Without reserve means that you should not spend too much time for doing things more than what you need. You can do your work, but do only what you need to do, do not spend too much time for listening other people until you don't have time to listen to God and to pray to Him. You can spend time to read books but only what is necessary to read. Do not spend too much time for reading until you don't have time to read the Bible which is His Book. You can spend time for listening music, but only as necessary. Do not spend too much time for listening music until you forget to praise Him by singing a song to Him each day. Do not rely to other people, rely to God only. And so on.

He really want you to live a living full of happiness, but in order to live happily you should really do things that God want you to do in your life. It is all a gift y grace from God, your life is a gift too, your happiness is a gift, and your time to do work is also a gift. He also protect you in the coming time of trouble, provided you listen to His Voice which you hear from Holy Spirit. In order to be able to listen to His voice, you should repent first and you must stop doing all things that

God do not approve. And you should receive Jesus Christ as your Savior into your heart.

Note: this article is written by me but it is actually dictated by Jesus Christ Himself word by word, and now He allow you to read this article so you can learn how God really really love you and how He care your life. He speak to me and He enable me to listen to His voice. It is also a gift by grace from Him. He allow me to be His messenger and carry His message to all people including you, even though He know that I was not trained to serve Him as a professional servant. God really love you and He want you to repent and receive Jesus Christ into your heart and you should serve God too in your life, and do God's will in your life.

I am happy to speak about Jesus Christ, and what He have done in this writer's life, and how God really really love you too, and how Jesus Christ can help you.

We love you all nations, but time is very limited. Be hurry to repent and receive Me, Jesus Christ. Find a guide to help you repent and receive Me, Jesus Christ, in this link <http://GoodNews.getfreehosting.co.uk/digfile/cms/index.php> (login with 'visitor'). ## 7. How GOD teach us

People often think that following Jesus Christ is very very difficult. People think that they should release all they have in their life. You should not keep more than one clothe, you should not have anything, you should not eat anymore, you should not work anymore, and other things in your life should be released. Actually this is wrong belief, because God really love you, and He teach us to be careful with our life.

Take your time and please read Matthew 9:9-13.

God want you to take care other people and to be compassionate (read also Matthew 18:27). He is merciful, and you should be merciful too. You should make the best out of what you are given by Him. Do not put obstacles to your brother and sister in order that you can be saved alone.

That the same with your clothe. You can keep your clothe, but be compassionate to other people around you. And the same when you eat, eat with respect to God and be compassionate to other people around you. Sometime He teach you to do not eat, but this is in order that you can do something better than before. Please read Daniel 1:12-17. It does not mean that you should starve all the day, but to teach you that you can be fast if you fast. And that is the principle that you should keep on your mind, that you are taken care properly by God Himself. Do not forget, He is the Good Shepherd. Please read Psalm 23.

So do not worry about those things that most people worry. Do not worry about what you wear tomorrow, do not worry about what you eat, because your Father in heaven know that you need those things. Please read again Matthew 6:31-32.

This message is written by Me, Jesus Christ. Me allow you to read this article in order that you know that God really really love you, that is why He take care of you one by one and He teach you one by one too.

## 8. How GOD bless your life

We often think that God bless other people more than He bless us. We think that He love other people because they are better than ourselves. Then we pray over and over again in order than God bless us more. Actually it is a blasphemy to think that you are better than God Himself in knowing what you need in your life. God know what you need and that you need them. Take a look at the fowls who do not sow and do not reap, but God take care all of them. Aren't you much more valuable than those fowls? Please read Matthew 6:25-34.

You should know that God already bless you with many things in your life. If you ask to your Father to be blessed with many more things, actually it is a blasphemy. It is a blasphemy too if you pray over and over again to be healed from illness that you do not suffer. Do not ask for too many things because it may cause you fall into temptation, that is temptation to think that you know much better than God Himself what is best for you. If you ask, then ask properly. The best way to pray is to pray our Father in Heaven prayer. Please read carefully Matthew 6:7-15.

Pray properly, and pray to God carefully. He really really love you and He already take care of you, if you think your life is miserable then that is a blasphemy too. Even if you see other people have many more things than what your Father in heaven give you, do not fall into temptation to ask for more. It is much better to ask how you can do your Father's Will in your life. Because if you do not do that, then your life become less meaningful and you will not make fruits in your life. Do not ask for so many things for yourself, do not ask for many houses, do not ask to be blessed more and more. Because what is the value of all those things if you lose your life?

This article is written by Me, Jesus Christ. Me allow you to read this article in order you can repent and receive Me, Jesus Christ. Me allow My messenger to type this article. We love you all nations, but time is very limited. Be hurry to repent and receive Me, Jesus Christ. Find a guide to help you repent and receive Me, Jesus Christ, in this link <http://GoodNews.getfreehosting.co.uk/digfile/cms/index.php> (login with 'visitor'). Print this guide as many as you can and distribute it to as many countries as you can, including Asian countries such as China and Vietnam. Pray

and ask to God first before you select a language for your country. Please tweet this message and distribute it to all your friends quickly.

## 9. How to rely on GOD

We often think that we can do our daily work without having to ask God to accompany us. But actually it is a mistake to think as such, because we don't know what kind of things will happen each day in our life. That's why it is very important to ask God to accompany us each day, and we should rely on Him each day. He promise to accompany and help us each day if we ask Him to do that, but we often forget to pray and ask for it to Him. This is why people who ask God to accompany them will be blessed more than people who do not ask God to accompany them, because God will teach them and guide them what to do each day, and how to do that more effectively. Actually only God know what's the best for you because He design you as unique person.

To rely on God mean that you should always listen to Holy Spirit who guide you each moment in your life. He will lead you to do God's Will everyday and how to do it in a way that will please your Father in Heaven. Your Father in heaven know that you need a Counselor who can help you to face any problem each day in your life. Yes, your Father in heaven love you and He want you to live a living full of happiness, but in order you to live a living full of happiness He demand that first you should repent and stop doing all sins which you already did, and then receive Jesus Christ into your heart, and read the Apostles' Creed and the Nicene Creed. You should be able to read at least one of these creeds from your memory without reading text. In order to do that, you should practice to read the creed from memory numerous times, and you should attend weekly sermons in your church regularly.

Note: this article is written by me but actually it is dictated by Jesus Christ Himself word by word. I am happy to speak about Jesus Christ, and how He love me very much. He love you too, and He want you to live a living full of happiness.

## 10. How you can be a good Christian

We often hear that it is difficult to be a good Christian, but actually it is not difficult, because the commandments are clear: you should love and care each other in the same way you love yourself. And you should love God with all your heart, and with all your soul, and with all your mind (please read Matthew 22:37-40). On these two commandments hang all the other rules in the Bible. That would mean that you should love and care those who are needy and very poor around you. You should give food to those who are hungry, and give drink to those who are thirsty, and if you have more than one shirt then give your shirt to those who need clothe. You should care of those who are sick, visit those who are lonely or very old. You should give your time and listen to those who need attention and then give them what they need in order to solve their problems.

Before you can do those things, you should realize that your Father in Heaven really really love you and He give His only Son, Jesus Christ, so that whoever believes in Him, they should not perish but have everlasting life. Please read John 3:16:

“For God so loved the world, that He gave His only begotten Son, that whosoever believeth in Him should not perish, but have everlasting life.”

This is why you should repent first, and stop doing all sins that you did, then receive Jesus Christ into your heart, and read the Apostles' Creed and the Nicene creed in church. After you do these, you will realize that God really love you, and your heart will be full of happiness, and then you begin to tell to your family, your friends, and other people you know, how God really really love you. And then you begin to love each other.

That's how you can be a good Christian, and it actually reflects how you thank God who love you first. Because we have been saved by Jesus Christ, and He love us first before we do something good.

Take your time and please read Rome 5:7-8 :

"For scarcely for a righteous man will one die: yet peradventure for a good man some would even dare to die. But God commendeth his love toward us, in that, while we were yet sinners, Christ died for us."

Now we see that it is all a gift by grace from our Father in heaven. He love us therefore He gave His only begotten Son, He died for us once for all sins, so that whoever believes to His only Son, Jesus Christ, can be saved. It means that you are forgiven for all the bad deeds that you have already done, provided you believe to His only Son, Jesus Christ. That is why in Bible we read that we are saved by the *gift by grace of God*. Please read carefully Rome 5:15-16.

Note: this article is written by me, but actually it was dictated by Jesus Christ Himself word by word, except the last paragraph in order that some people may believe and repent and stop doing all their sins, because some people asked to Jesus Christ to allow His messenger to put the last paragraph in daily language. But after all He guide me to write the last paragraph of this article. And it is a gift by grace from Him too. He allow you to read this article in order that you realize how your Father in heaven really really love you, so that you can be a good Christian. Your faith is also a gift by grace of God. Even your life is also a gift by grace of God.

I am happy to speak about Jesus Christ, and what He have done in my life, and how He have already healed me from many forms of illnesses. And He really really love you too, and He want to help you to become a good Christian, and He want you to live a living full of happiness.

## 11. Denial of Service in Evangelism

Most Christian people think that they already do God's Will in their life. They go to weekly sermons in church regularly, and they do pray each morning and they read the Bible. But they do not want to speak about Jesus Christ to other people who live surround them. This is denial of service in evangelism.

The problem is actually they are afraid of being treated improperly if they witness the glory of God. Actually they are afraid of human being, and they do not fear of God who create them. The problem is fear of God equals to faith and therefore lack of fear of God means lack of faith. And then they worry about their life too much.

Take your time and please read Matthew 6:24-34.

What is worrying? Worrying is lack of faith to God. If you worry about your life that means that you serve two masters, because you worship God but at the same time you rely on yourself. Actually God really love you and God take care of you and your family each day. Relying on yourself includes that you pretend that you know better than God Himself in choosing words to say without His permission. Actually you do not have the right to do that. And if you think that you can do your work better than God, it is a blasphemy. And that is why serving two masters is a blasphemy. Relying on yourself is a blasphemy too, because you never know the effect of doing your work improperly without God.

Other people do denial of service in evangelism differently. They think that God's grace will be given to all people including those who do not believe, do not repent, and do not receive Jesus Christ. This is wrong belief because if you do not repent and receive Jesus Christ, it is impossible to come to our Father in Heaven. Please read Matthew 11:26-28.

Evangelists should be careful of this wrong belief because some Christian people use this belief to deny that they must speak about Jesus Christ and how God love the world and that people should repent and receive Jesus Christ.

Evangelists should also be careful of other wrong belief that is the belief that Christian people should give up their faith in order that they can survive.

Actually they worry about everything else except their own life, please read again Matthew chapter 6:24-34. God know what you need and that you need them, but seek first God's Will in your life and work for Kingdom of Heaven, and all other things will be added to your plate.

There is other wrong belief that evangelists should be careful, that is the belief that Christian people could say that there is other name who can give way to people to come to our Father in heaven. Please read again Matthew 11:26-28. Actually this is a blasphemy too. There is no other name in whom people can be saved except in the name of Jesus Christ. Please read the Acts of Apostles 4:12:

“Neither is there salvation in any other: for there is none other name under heaven given among men, whereby we must be saved.”

Other Christian people put obstacles in the life of their family who do evangelism, in order that their family can fall, and therefore they can use their falling as an excuse for not doing evangelism. And that is a blasphemy too. It is evil work.

Other Christian people think that they should not speak about Jesus Christ to other people surround them because they are Calvinist. They think that God will call all people who are chosen to follow Jesus Christ, because He is powerful and He can call people to follow His beloved Son, Jesus Christ, *even without* they do evangelism. Actually this is wrong belief because Christian people should speak about Jesus Christ and how God love them, that is their job. Please read Matthew 28:18-20:

“And Jesus came and spake unto them, saying, All power is given unto me in heaven and in earth. Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you always, *even* unto the end of the world. Amen.”

Other Christian people do other mistake, they think that other people already do evangelism in so many years, and therefore they do not have to speak about Jesus Christ themselves. Actually they should speak about Jesus Christ to at least to four people each day in their life. Evangelists should be careful to this type of mistake, because they can use it as an excuse for not speaking about Jesus Christ

in their life. Actually they worry too much about their life. Please read again Matthew 6:24-34.

Some Christian people think that Jesus Christ will not come again soon, they expect that they can speak about Jesus Christ later in their life may be ten or twenty years from now. Actually this is wrong belief, Jesus Christ will come again very very soon, and you should make fruits in your life, and therefore you should speak about Jesus Christ at least to four people each day in your life. Find a guide to help people to repent and receive Jesus Christ in this link <http://GoodNews.getfreehosting.co.uk/digfile/cms/index.php> (login with 'visitor'). Print the guide and copy as many as you can, and distribute the copies to as many countries as you can, including Asian countries such as China and Vietnam. Please pray and ask to God first before you select a language for your country. Be hurry to repent and receive Jesus Christ and then speak about Jesus Christ at least to four people each day in your life.

Other Christian people do not know how to speak about Jesus Christ properly to people surround them, and they use this as an excuse to not speaking about Jesus Christ. Please find a guide to help them to speak about Jesus Christ in the link above.

This article is written by me but actually this is dictated by Jesus Christ literary word by word; me is only His messenger and He allow me to write this article in order to help you take care properly Christian people in your church. He allow you to read this article, and this is a gift by grace of God.

## 12. Situational Leadership for Evangelization

We often read that there is only one situation for evangelization. That situation is often called evangelism campaign. This situation is preferred by evangelists, because they can reach a large number of people effectively. But actually there are different situations for evangelism which should be taken care properly. This article takes care these situations based on categorization as described by Dr. Ralph Winter in his report (Winter 1975). He categorizes evangelism situations as follows:

E-0 : Christian people at name only

E-1 : Christian people in the same nation

E-2 : Non-Christian people with similar culture

E-3 : Non-Christian people with different cultures.

We extend further this categorization in order to take care properly people with different needs. We consider here only two more situations:

E-4 : Non-religion people and difficult people

E-5 : People with personality disorder problem.

Situational leadership is used here because it reminds us to leadership typology based on the context of people (Hersey 1972). For example if some people have the required education to do a job like translation, but they are not willing to do that, a leader should motivate them. In different situation, some people may not have the required education to do a job, but they are willing to do that, therefore a leader should train them. In other situation, there are people who have not both the required education and they are not willing to do a job, then they require special attention. It can be very difficult to take care these people, therefore leadership is a gift by grace of God.

In this article Me, Jesus Christ, put Situational Leadership into evangelism situation:

a. E-0 situation

Christian people at name only actually requires special attention, because often they face some difficulties in their life. Some of them do drugs in order to avoid the pain caused by their problems. Some of them need special attention, because they are not taken care properly. But most of all their problems are that they do not repent and receive Jesus Christ. We should take care properly these people in order that they can repent and receive Jesus Christ. Find a guide to help them repent and receive

Jesus Christ in <http://GoodNews.getfreehosting.co.uk/digfile/cms/index.php> (login with 'visitor'). This guide can be used in weekly sermons or Bible study. Other churches may use this guide in regular cell group meetings.

b. E-1 situation

Christian people in the same nation can be addressed properly in evangelism campaign or with radio broadcast, television or other channels of mass communication. Some of them need special attention, that is why private evangelization is an effective way to speak about Jesus Christ. Their problem is actually the same with E-0 people, they need to repent and receive Jesus Christ. You can find a guide to help these people to repent and receive Jesus Christ in the link above. The situation is different if these Christian people did something terrible in their life, like trapping other people. In that situation they will not be forgiven, unless God give them repentance by His grace only. All of them should repent and receive Jesus Christ first before God bless them again. Please read Isaiah 1:18-20.

c. E-2 situation

Non-Christian people with similar culture often need special attention too. Most of them already believe that they choose the right way and they do not like to change. Actually these people do not want to admit that they choose the wrong way. And they hate people who show them that they do make mistake.

The only way for them to be saved is that they should repent and receive Jesus Christ, and stop doing all their sins including blasphemy. Blasphemy includes serving two masters, please read Matthew 6:24. Other type of blasphemy is that they do not admit that only in the name of Jesus Christ they can be saved (please read the Acts of Apostles 4:12).

Contextual evangelism should not make mistakes of allowing these people to keep their wrong belief along with Christianity. Otherwise that would make them doing blasphemy too, and they will be punished severely if they allow people to do that, please read Matthew 11:26-28. They should repent and receive Jesus Christ otherwise there is no way to come to our Father in Heaven.

Hindu and Buddhist people should know that the problem is not in suffering, but in their sins. The only way for them to be saved is that they must repent and receive Jesus Christ.

Moslem people should know that the problem is not in lack of good deeds, but again the problem is their sins. They should admit their sins, repent and receive Jesus Christ, stop doing all their sins, and read the Apostles' Creed and the Nicene Creed. They should be able to read at least one of these creeds from their memory without

reading text. And they should give themselves to be baptized, and attend sermons regularly in nearest church. Find a guide to help these people in the link above.

d. E-3 situation

Non-Christian people with different cultures need to be taken care properly by telling them that they really really need to repent, receive Jesus Christ, and stop doing all their sins. But they need to see examples in their cultures. Example here means people who live in accordance with the Bible and in the teaching of Jesus Christ. That would mean that evangelists should be the examples in the cultures where they serve. That is very difficult to do, that is why evangelism is a gift by grace of God. There should be a praying team to support this evangelization.

Evangelists should also make it accessible for these people to read Bible in their language. Find a guide to help these people to repent and receive Jesus Christ in more than 30 languages. The guide has been translated and compiled into a book contain eleven chapters each consist of four to six languages. If you cannot find the language you need in this book please kindly translate from English version (chapter 1). The book can be found in the link

<http://GoodNews.getfreehosting.co.uk/digfile/cms/index.php> (login with 'visitor').

e. E-4 situation

Non-religion people and difficult people also need special attention. They often trap themselves in their own trap. They do not care that they need God, in this way they do blasphemy and therefore they will be punished forever. They should know that there is no good deed they can do before they repent, receive Jesus Christ, and stop doing all their sins. Take your time and please read Rome 3:9-18.

Some of them can be saved but it is only a gift by grace of God through Jesus Christ. Find a guide to help these people to repent and receive Jesus Christ in the above link.

These people only rely on themselves in every problem they face. Actually they know they cannot solve their problems, but they do not admit that they cannot solve their problems because they are so proud of themselves. And this is a blasphemy, and they will be punished unless they repent and receive Jesus Christ.

f. E-5 situation

People with personality disorder need very very special attention, because they do not see where their mistakes begin. They often think that they are normal, but actually they do all things in their life in hate and anger. Hate and anger may come from their past, but they forget that they are responsible for the condition of their

heart. Anger can lead to depression, but in other people anger can lead to destruction to other people's life.

And some people think it is their right to make punishment and to trap other people. These people are chronic examples of those who do sins too many times, until they do not know what happen with their life. Please read carefully Rome chapter 1 until chapter 3.

Some people need proper medical treatment in psychiatry clinic, including those who too many times do many sins including blasphemy and pretend that they are good Christian people. We can call these people suffer split personality disorder, but actually they do too many sins in their life and their character is altered. It would take a lot of God's grace in order they can repent and receive Jesus Christ, and stop doing their sins, because they really really cannot stop doing their sins and they do not know how to do things other than doing their sins.

Find a guide to help them repent and receive Jesus Christ in the link above.

Evangelists should ask someone who has been trained in psychiatry in order to be able to help them.

This article is written by me but actually this article is dictated Jesus Christ literary word by word; me is only His messenger and me have not been trained as professional servant in church, but He allow me to write this article in order to help preachers and evangelists do their job properly. You are allowed to read this article and this is His gift too.

## 13. The meaning of GOD's grace in your life

We often hear that God's grace is plenty for all those who believe Him, but we often see that God give other people so many things more than what we think they do really need; in the meantime we pray and never get answer to what we ask from God. Then we ask to ourselves, where is God's grace? Why haven't we received yet the same grace from God?

Actually God's grace has been given to you since your birth. God design you as a unique person, and He also bless you with plenty of things, including ability to speak (language), to think (mind), to care each other (love), to walk (feet), and to work (hands), and so on. Even your ability to breath and that your heart function properly reflect that all is a gift by grace from God Himself. Then how can you say that you do not receive God's grace in your life?

Now you can begin to see God's grace by writing down all you have received from your parents since your birth, and then ask them where all those things came from. Did they receive those things from others, or did they receive those things from God Himself? Then you can also count your blessings, i.e. please write down all you have now and count them one by one, and then you can recognize where all those things came from. If you are honest to yourself then you will realize that all you have now and even your body and your life are given by God Himself. They are all God's grace.

Note: this article was written by me but it was actually dictated by Jesus Christ Himself, who love me so much and He always helped me in times of trouble. He allow me to serve Him in this circumstance in order that He can make His grace to be realized fully through my life. He allow you to read His words through this article, and it is also a gift from Him too. Now you can learn how to respect Him, and thank Him for all those things in your life which all of you often take for granted. He really really love you too and He love all people in the world too, but He demand you to repent and receive Jesus Christ, and stop doing all your sins, and then you will find that His grace will be made full in your life. He will protect you in the coming time of trouble.

me is happy to speak about what Jesus Christ has done in me, and what He can do in your life too.

## 14. How you can know you already make fruits

We used to think that we serve God in our life; we already work hard and do many good deeds for others. Or you already give your money to other people who serve God in their service. Or you give your time to serve through our service. Then you ask to yourself: Have I done what God's will in my life? Did I make some fruits for Him?

Actually you already know what God's Will in your life; please read the previous article "How you can do your Father in Heaven's Will" (article no. 3), and also read John 13:31-35 and Matthew 25:31-40.

In order to find the answer, first you should read the Bible more attentively, begin with the Gospel according to Matthew and then continue to read in sequential order all the books in New Testament until the book of Revelation. And you will know that you must produce fruits during your lifetime in order to please your Father in heaven. That means that you should speak about Jesus Christ at least to four people each day in your life. After you speak then you should lead others to repent and come to Jesus Christ and invite Him to come into their heart. Each people whom you lead to repent and come to Jesus Christ is called a fruit by your Father in heaven.

You should care your fruit properly until they are mature and confess their sins to our Father in heaven, and then attend regularly to weekly sermons in church, and give their selves to be baptized. You should teach them too how to make fruits their selves. That way your fruits are mature. But do not count your fruits, let your Father in heaven count them, because you do not know how to count the fruits properly. Sometimes you care fruits that others have put in front of you, or you reap what you do not sow. The truth is all the fruits are the results of Holy Spirit's work, not by your work, but you help to sow the seeds so people can hear about Jesus Christ.

God also teach me some time ago while taking rest from writing this article and looking at a mango tree with fruits in garden, that God want us to be faithful and fruitful in our life. To be fruitful means that we should live a living such that people around us listen to what we speak. That is the meaning to be the salt and the light of the world (read Matthew 5:13-16). You should live a living such that people know that you love people around you; that you love your family, and that you love others who need help. That way people will listen to what you speak and they will praise God, and then they will listen to the message about Jesus Christ and how He really really love them. Be compassionate, because God is compassionate. That is the message. Please read again Matthew 18:27.

This is the principle that God want us to learn: God is love and He love all of you, and therefore you should love each other as much as you love yourself. If you love each other, then you can make fruits in your life. Then your life becomes fruitful. This is your Father in Heaven's will in your life.

Note: this article is written by me but actually it is guided by Jesus Christ and some paragraphs are dictated by Jesus Christ Himself word by word. He teach me some basic principles and He allow me to put those principles in this article in order that you can learn how to make your fruits with the help of Holy Spirit. Pray each morning and ask to Holy Spirit to guide you each moment in your life.

I am happy to speak about Jesus Christ, and how He really really love me. He really really love you too, and He want you to live a living full of happiness. We love you all nations, but time is very limited. Be hurry to repent and receive Me, Jesus Christ. Find a guide to help you repent and receive Me, Jesus Christ, in this link <http://GoodNews.getfreehosting.co.uk/digfile/cms/index.php> (login with 'visitor'). Print this guide as many as you can and distribute it to as many countries as you can, including Asian countries such as China and Vietnam. Pray and ask to God first before you select a language for your country. We will come again very very soon, be hurry be hurry to repent and receive Me, Jesus Christ. Please tweet this message and distribute it to all your friends quickly.

## 15. The meaning of Twelve Gates

People often think that Jesus Christ will come again, but it will not happen this year or next year. Do not fall into temptation to forget to prepare for My coming. Do not punish your brother and sister because you think you are better than them, or because you think you work harder than them. Do not think you deserve to be blessed more than other people and then you put so many obstacles to other people in order they fall, and then you use their fall as an excuse for yourself to keep doing as many sins as you like.

Some people already hear that Jesus Christ will come again if Twelve Gates are opened. They read that Twelve Gates are not opened yet, that is why they think that Jesus Christ will come again but not very soon. Actually Twelve Gates are already opened.

Take your time and please read Isaiah 45:1-2.

Actually the meaning of Twelve Gates is that God will call people by His grace from many directions of earth, and they will listen to Him in their languages. And they will turn their back and come to God Himself. Please read carefully Isaiah 45:22-25.

We love you all nations, be hurry to repent and receive Me, Jesus Christ. We will come again very very soon, therefore let yourself be saved. Repent, repent, repent. It is your life. Time is very limited, be hurry to repent and receive Me, Jesus Christ.

Find a guide to help you repent and receive Me, Jesus Christ, in this link <http://GoodNews.getfreehosting.co.uk/digfile/cms/index.php> (login with 'visitor'). Print this guide as many as you can and distribute it to as many countries as you can, including Asian countries such as China and Vietnam. Pray and ask to God first before you select a language for your nation. Please tweet this message and distribute it to all your friends quickly.

## 16. How GOD protect you

People often think that they live because they work hard, and God only see what they do, far away from them. But actually He really really love you and He wish that all of you are safe from all troubles each day in our life. But we often do many things without asking Him first for His guidance. It can happen many times a day, especially if you do not repent and confess your sins and receive Jesus Christ into your heart. Because if you do not repent and stop doing your sins, it can result in effect that is you choose the path that may lead you into troubles. If you continue to do so, you will have to face real consequences, such as punishment, sickness, being unhealthy, being unhappy, or doing things that may lead you to fall.

God really love you and God want you to have a happy life and full of His grace, but in order to do that He demand that you regret your sins, repent and stop doing those miserable things in your life, and then receive Jesus Christ. You should pray each morning and ask to Holy Spirit to guide you each day. Only by doing so then you will be fully protected from choosing the wrong path in your life which may lead you into troubles and unnecessary problems. Yes, you may have to face problems in this life, but if you do God's Will in your life, He will help you and give you the strength you need in order to solve those problems, because nothing is impossible for Him.

Therefore, you can rest assure that your Father in Heaven really take care of you. Don't worry about many things that other people who don't know God worry. Many people worry about what clothe they shall wear, or what they shall eat tomorrow, but don't worry about such things. Your Father in heaven know that you need those things, and He will not leave you alone. Look at the fowls in the sky, they sow nothing and they collect nothing, but your Father in heaven take care all of them. How much more you are protected by your Father in heaven.

Read Matthew 6:25-26 :

"Therefore I say unto you, Take no thought for your life, what ye shall eat, or what ye shall drink; nor yet for your body, what ye shall put on. Is not the life more than meat, and the body than raiment?"

Behold the fowls of the air: for they sow not, neither do they reap, nor gather into barns; yet your heavenly Father feedeth them. Are ye not much better than they?"

Therefore you shall learn to be more faithful and full of faith, because that will please your Father in heaven. Do not worry about anything, but you shall do something in your life in order to bring fruits for your Father in heaven. He will not like to see people who believe Him but do nothing throughout their life; it is like a tree that makes no fruit at all despite it has been given all that is necessary to produce fruits. That is the only thing you should worry about; therefore be hurry to make as many fruits as possible for your Father in heaven, so He can be pleased if you meet Him.

Note: This article was written by me, but it was dictated by Jesus Christ Himself word by word. He allow me to do that because me was lack of previous training to serve Him in church as a professional servant. But He love me and help me to become a messenger and to carry His message to you and other people in the world. Thanks God, this article is also a gift from God, because He allow you to read what He want you to do in your life, because the second coming of Jesus Christ will be very soon. You shall prepare yourself too, otherwise our Father in heaven will not be happy and you will face consequences in eternity. Do things like the good servants who multiply the talents that their master gives to them (Matthew 25:14-30). That way you will please your Father in heaven.

me is happy to speak about what Jesus Christ has done to me, and also what He can do in your life too.

## 17. How to live a living full of happiness

We often think that in order to live a living full of happiness we should do many things in order to fulfill our needs and to get what we want. But we see that after we get what we want, we still want more, because we remain unhappy with all things we already get. This is why we find that our life is miserable; because we remain unhappy no matter how much money is our saving and how many things we already have.

Actually God really love you, and He want you to live a living full of happiness. Your Father in Heaven know that you need those things in order you to continue your life, and that you need them. So do not worry about what you shall wear or what you shall eat tomorrow, because your Father in heaven always take care of you. But He do not like if you work too hard in order to get all what you want without His permission. He want you to praise Him more often for all blessing that you already received from Him. Actually we have no right to do things without His permission; we have no right either to ask too much because He is the Creator. All we have and also our life is a gift by grace from God. We have no right to ask more than what we really need.

Take your time and please read Matthew 6:25-34.

This is why it is better to praise God for all things that He already give to you, rather than to complain and ask Him to give you many things that you do not need. Your Father in heaven know what the best is for you because He design you as unique person. If you pray, just pray according to our Father in heaven prayer that Jesus Christ teach you (Matthew 6:9-13). Do not pray too often and do not pray a very long pray, because that reflects that you want many things in your life much more than what you really need. Pray according to what Holy Spirit reminds you to pray; that way your pray will please your Father in heaven. Praise Him more often, at least once each day you should sing a song to glorify Thy name. Read the book of Psalm, so you can learn how to praise God properly.

Now you see that in order to live a living full of happiness actually you shall repent first, and stop doing all sins, and then receive Jesus Christ into your heart, and then read the Apostles' Creed and the Nicene Creed in church. You should learn to read from memory at least one of these creeds without reading text. Therefore you should practice it numerous times until you can read it from memory. You should also attend weekly sermons in church regularly, in order that you realize how much God love you, and how He care you. And then your heart will change and you can praise Him for all things that you already receive from Him. And then you will live a living full of happiness.

Note: this article is written by me but it is actually dictated by Jesus Christ Himself word by word. He allow me to listen to Him, and it is a gift by grace of God. You can read this article and learn a lesson today, and it is a gift by grace for you too. God really really love you and He want you to live a living full of happiness. This is why you should repent and stop doing all sins, and receive Jesus Christ into your heart. After that ask to Holy Spirit to guide you each day, and Holy Spirit will guide you, and your happiness will be made complete (read John chapter 16). Your heart will be changed, so that you can praise Him each day in every situation. For God really love you no matter what.

me is happy to speak about Jesus Christ and how He love me and heal me from many forms of illnesses. He really love you too and He really want to help you. This message is dictated by Jesus Christ Himself, and it is in strict accordance with the Bible. Your life should be fruitful and faithful, that is the rule that Jesus Christ teach me yesterday while taking rest for a while during writing another article.

## How you should pray

Today God teach you how you should pray properly in time of tribulation.

Christian people often think that they already pray properly. They pray every day, and they pray before they go to work. But most of them actually pray a wrong way. They pray only to maximize their utility (a). It is prescribed in economics textbook that you should maximize your utility in order you can get prosperity. And they believe that it is God's Will for them that they should be prosperous. They call it prosperity theology (b). That is wrong belief, you should not worship prosperity. The truth is that is the character of descendant of the old serpent: they follow Mammon, and they want to be more prosperous, powerful, and cruel in their life. Descendant (c) of the old serpent mean that they are reptile and cold hearted (d). Please read Luke 3:7.

You should know that your Father in Heaven really really love you, and He already take care of you and your family. He already take care of you since your birth day and He take care of you continuously, literary speaking. And if you think He do not take care of you, that is a blasphemy. That is why if you pray, then pray only according to our Father in heaven prayer. Please read Matthew 6:9-13.

our Father in heaven

our Father which art in heaven, Hallowed by Thy name,

Thy Kingdom come, Thy Will be done in earth, as it is in heaven,

Give us this day our daily bread,

And forgive us our debts, as we forgive our debtors,

And lead us not into temptation, but deliver us from Evil.

For Thine is the Kingdom, and the power, and the glory, for ever. Amen

Look at the fowls in the sky, they do not sow and they do not reap, but your Father in heaven take care of them all. Don't you think that you are much more valuable than those fowls? Take a breath and please read Matthew 6:24-34.

You should know that your Father in heaven really really love you and He know much much much better than you what is the best for you. That is why you should not worry, don't worry about anything. You should not worry, if you worry about anything then actually you lack of faith. If you worry, it is because you love money too much, and that is serving two masters. Serving two masters is a blasphemy, because you don't love your Father in heaven with all your heart, with all your soul, with all your mind. Read again Matthew 22:37, Deuteronomy 6:5.

Pray only what you need, and do not pray like people who do not believe in your Father in heaven. They pray over and over, and they think that their prayer will be answered if they pray repeatedly repeatedly. Read again Matthew 6:7.

You should pray according to what Holy Spirit guide you. Please read Isaiah 30:21. In order to do that, you should repent and receive Me, Jesus Christ, and do your repentance properly. Then you should read the Apostles' Creed (e) and the Nicene creed (f). You should be able to read at least one of these creeds from memory without reading text. That would mean that you should practice numerous times and you should attend weekly sermons regularly. You should pray each morning and ask to Holy Spirit to guide you, and Holy Spirit will guide you each moment in your life. Read again Isaiah 30:21.

You should not pray in order to maximize your utility. You should not pray as if you make a proposal, and then you ask to God to approve your proposal, because that would mean that you pretend that you know better than your Father in heaven. That is a blasphemy too, don't do that. Do not interrupt your Father in heaven's Voice. That is a blasphemy too. Do not pray in order that other people fall, that is cruel. You should be merciful, because God is merciful.

If you pray in order to get much much more things than what you need, that will cause you fall into temptation. That is the temptation of greed and worrying. Your Father in heaven really really love you, and He protect you in order you do not fall into temptations, but you must not ask for things which make you fall in order your Father in Heaven should help you. That is a blasphemy. Please read Matthew 4:6-7.

Some Christian people believe that if you pray, you should pray with confidence, and it will be given to you (g). And they often quote from Matthew 7:7-8, and then they do pray in order to get more more more prosperity. That is called prosperity theology. That is wrong belief. You should pray only what you need, that is your Father's Will.

You should pray properly. Pray in order you do not fall into temptations. Your Father really really love you, and He do not want you to fail and then you fall. But you should pray in order you do not fall into temptations. Read again Matthew 6:13. You should know that

there are so many temptations, that is why you should live as per necessary in order you can be pure. To be pure require a lot of work, you should stop doing all your sins and do your repentance properly. Please read Joel 2:12-14.

Don't you know that now is the time of tribulation? And in time of tribulation you should do your repentance properly, and it require a lot of hard work. Don't you know that in time of tribulation you should speak as less as possible, and walk as much as possible? You should pray only what Holy Spirit guide you to pray. You should know that your Father in heaven really really love you, and He already know what you need before you pray for that. That is why you should pray only what Holy Spirit guide you to pray.

You should also fast in order you can do your repentance and to do that properly. In order you can do your repentance properly, you should do things for the Kingdom of heaven, and you should do that in a way that please your Father in heaven. You should listen attentively to your Father's voice, and you should follow Holy Spirit's guide each day in your life. We will come again very very soon, don't worry about anything. Time is very very limited, be hurry be hurry to repent and receive Me, Jesus Christ, all corners of the world. Please read Isaiah 45:22-25.

This article is written by Me, Jesus Christ. Me allow you to read this article in order you can repent and receive Me, Jesus Christ. Me allow My messenger, that is this writer, to write this article in order you can repent and do your repentance properly. That is the message: be hurry be hurry to repent and receive Me, Jesus Christ, all corners of the world. Please tweet this message and distribute it to all your friends quickly.

## Beware of false priests

Christian people believe that the false priest will come sometime before the coming of Jesus Christ. They read about the false priest in Mark chapter 13, and the Second book of Letters to Thessalonians chapter 2. They are sure that the false priest will appear in public before destruction of Jerusalem. Actually it is not true. The false priests are everywhere. Please take your breath and read Matthew 7:15-23.

The false priests are dangerous because they are among the true lambs, and they pretend themselves are the lambs. But actually they are false shepherds, and they mislead the lambs on purpose to make them fall and to take advantage of their falling.

How to distinguish the true shepherds from the false priests? That is the sign: they are so selfish and take care only themselves. They have no fruits at all at the end of their service, and they are full of blasphemy. They do not repent and receive Me, Jesus Christ, at the beginning of their service, therefore they spoil their whole service.

Moreover, they do service but they do not listen to God's Voice, therefore they do not do your Father's Will in their life. They preach, preach, preach, but they only speak what they like to talk, regardless they quote so many verses from the Bible. They make miracles but they do not do that with respect to your Father in Heaven. They only want praises from human, that is why they avoid to praise God in what they do. They demand other people to praise them only, and they do not fear to God. That's why, that's why, there is no forgiveness for the false priests. Please read Matthew 18:6. Actually they only do blasphemy over and over again, and they think they do something good by doing blasphemy, because they believe to something else: themselves. That is the character of the false priests. And they plan to ask forgiveness at the end of their life, only to have God's mercy after they do so many sins without repentance. That is another character of the false priests: they plan from the beginning to do whatever they like in their life, and then ask for God's mercy at the end of their life, because they only want to do only so many sins in their life and do not want to repent at all. Please read Jeremiah 3:5. They pretend they do something good for the Kingdom of Heaven, but they do not do God's will in their life. That's why it is cruel if you continue doing all your sins and you teach and pretend to be priests. Please read again Matthew 7:21.

So many priests also mislead My lambs in the true olive tree. The people of Israel too much time listen to false priests for thousands years, and no one listen to Me, Jesus Christ, and they do not listen to My Father either. Actually they only do what they want to do throughout their life, and that's why Israel people really really need to repent and receive

Me, Jesus Christ, because no one can come to My Father unless they come through Me, because I am the true vineyard. Please read John 15:1-2.

Therefore it is necessary to listen to My Father's voice. In order you can listen to My Father's voice, you should repent, stop doing all your sins and receive Me, Jesus Christ. And then you should read the Apostles' Creed and Nicene creed. You should be able to read at least one of these creeds from your memory, without reading text. That would mean that you should practice to read these creeds numerous times, and attend weekly sermons regularly. Then you should pray to your Father and ask to Him to give you ear to hear His voice. You should also pray to Holy Spirit and ask to Him to guide you each moment every day. And Holy Spirit will guide you and help you to do your Father's will and to do that in a way that will please your Father in heaven.

You should know that the false priests are already there among you, Christian people. One of the sign of the false priests is that they teach differently than what other churches teach. They pretend to think that they discover new teaching, but actually they only do the same false teaching: that is to deny that Jesus Christ is the only way to come to your Father in heaven.

The false priests will do anything to stop Christian people to talk about Jesus Christ, and that's why they hate people who do evangelism. That is a character of false priests. Sometimes they are powerful, but you must be careful if you find a priest who is so powerful, because that is indication that they only want to gain respect from human because they speak only what most people like to hear, and they do not want to preach the true teaching of Jesus Christ. That is the message: leave the false priests now, and separate yourself from the sheeps, and do leave them without further delay.

The sheep is people who pretend to be good Christian people, but actually they do not do our Father's will in their life. And they want only blessing, blessing, blessing. The sheeps do not want to repent and receive Me, Jesus Christ. They only want to play around with God's grace. They want to do as many sins in their life, and plan to ask for God's mercy at the end of their life. Please read Jeremiah 3:5 and Isaiah chapter 1.

Actually nobody is prepared for the end of the world. Me will come again very very soon and that is the end of the world. And a new world will be created by your Father in Heaven. Please read the book of Revelation 21:1.

They do not sow and they do not reap, but your Father in heaven take care each of them. Don't you think that you are much more valuable than those fowls?

Take your time and please read Matthew 5:25-34.

Please read Joel 2:12-14. You are allowed to eat, but eat as per necessary, and eat with repentance. You can work, but work as per necessary. You should speak as less as possible, and you should walk as much as possible. You should speak only what you have to say. Pray and ask to God first before, if you are allowed to speak. And you should speak about Jesus Christ at least to four people each day in your life.

You should do your Father's Will in your life in order you can make fruits in your life. You cannot make fruits without Me, Jesus Christ, because I am the true vineyard. Please read John 15:1-8. You should make fruits even in time of tribulation and even if other people put so many obstacles in your life. Please read Matthew 5:10-12. You should repent and receive Me, Jesus Christ, and do your repentance properly. And you should read the Apostles' Creed and the Nicene creed. You should be able to read at least one of the creeds from your memory without reading text. ## How you can help difficult people

Christian people often leave people with difficult personalities. They think that people with difficult personalities cannot change forever. Actually it is wrong belief. People with difficult personalities need help in order they can change. Some people think that they need medical care, actually people with difficult personalities need someone who can take care properly their problems. First of all, they need to repent and receive Me, Jesus Christ, and do their repentance properly. And then they should pray and ask to God to help them, that is the answer.

There are a number of situations which need to be addressed properly, including:

- a. Problems by culture. Each culture is already intoxicated by the old serpent. Please read Matthew 12:34, 23:33, and Luke 3:7. The meaning is that education and culture dissemination is literary speaking only human teaching, and you should be careful with the effect. Do not do education too much, don't do too much with culture and traditions. You should know that each time you learn something new, you should be careful that it will intoxicate your purity. Don't you know that each time you read a book it will take your time which should be used to praise and worship your Father in Heaven, and don't you know that your time is not yours at all, it is given to you by your Father in heaven. That is why you should know that each time you work or learn, it would mean you use time that has been given by your Father in heaven. And that is why you should use time properly and ask to your Father in heaven first before you do something in your life. The solution is that you should not worship your culture and traditions. You should repent first and receive Me, Jesus Christ, and then do your repentance properly. Almost all culture and traditions do blasphemy, they worship the old serpent:
  - a. Chinese culture. You worship dragon, all of you should repent and do your repentance properly.
  - b. Japanese culture. You worship bushido way, all of you should repent and do your repentance properly now.
  - c. Korean culture. You worship dragon, all of you should repent and do your repentance properly quickly.
  - d. American culture. You worship Mammon and freedom, all of you should repent and do your repentance properly. Don't you know that serving two masters is a blasphemy. Read again Matthew 6:24.

- e. Other Asian culture. The same, all of you is already intoxicated by the old serpent. You should repent and do your repentance properly. Do it now.
- f. German culture. You worship yourself, throw away all philosophy books, return to the Bible. You should repent and do your repentance properly quickly.
- g. French culture. The same, you worship yourself, and punish people who do not follow your way. That is the meaning of chauvinism. Throw away all post-modernism books, return to the Bible. You should repent and do your repentance properly, do it quickly. Time is very very limited, and you should do your repentance, and it takes a lot of hard work to do your repentance properly.
- h. Great Britain culture. You do occultism too many times. Throw away all magic and Harry Potter books. Don't you know that it is very very difficult to recover the effect, because occultism is real real problem with the old serpent. That is why only fifty percent of Great Britain people now admit publicly that they are Christian. Please read Christian Post, issue December 19<sup>th</sup> 2009. (a)
- i. Other Europe culture. You worship technology and knowledge, that is because you eat the fruit of knowledge. And that is the meaning of Faust story, and literary speaking you have the same problem caused by the fruit of knowledge. What is the value of knowing everything if you lose yourself? Please read again the first epistle to Corinthians 13:2.
- j. Indian culture. You do blasphemy too many times. Don't you know that you want to avoid suffering and do not care about your sins? That is why all of you should repent and receive Me, Jesus Christ, and do your repentance properly. Just because you punish yourself with so many suffering, it does not mean that you are free from your sins.
- k. Russian culture. You do too many blasphemy, I hate your statues, even if you put them inside your church. Please read Jeremiah 27:15. All of you should repent and receive Me, Jesus Christ, and do your repentance properly. Throw away all your philosophy and magic books, I hate all of them. That is why Feynman do not like to talk about philosophy. And return to the Bible, all of you, quickly. Don't you know that your society ruins, literary speaking? Therefore you should take care people around you, and remove your cruel government who do not pay all employees. Please read Jeremiah 22:13-17.
- l. Middle Eastern culture. All of you are too proud of yourself. Don't you know that you also do blasphemy too many times, and that is blasphemy of worship yourself. All of you should repent and receive Me, Jesus Christ, in order you can meet Allah. You should know that you cannot come to My

Father without Me. Please read Matthew 11:25-27. This writer forgot the correct verses but Jesus Christ help him again.

- m. African culture. The same, you do too many occultism and magic. All of you should repent and receive Me, Jesus Christ, and do your repentance properly. Don't you know that your environment ruins because of all your blasphemy and sins. And you should know that only few of you will survive, that is why you should repent and receive Me, Jesus Christ, and you should do your repentance properly. Don't you know that Reinhard Bonke already preach and preach to all your countries, but only few of you really really repent? That is because you love the old serpent. Remove the old serpent, and stop doing all your blasphemy, occultism, and magic. And stop doing all your sins, including trapping people to pay you money for nothing. That is cruel, and that is what make you become reptile and descendant of the old serpent. Read again Luke 3:7. That is serious mistake in your culture, and that is what make you difficult to repent. You should throw the old serpent from your culture before you can repent and receive Me, Jesus Christ, and do your repentance properly.
- n. Israel people. Don't you know that Me really really love you? Your Father in heaven is waiting for you for thousand and thousand and thousand years, literally speaking. And the problem is you are too proud of yourself, and you are too proud of your tradition and culture. Actually you worship your traditions, and that is a blasphemy. Read again Matthew 12:34, 23:33. *"O generation of vipers, how can ye, being evil, speak good things? For out of the abundance of the heart the mouth speaketh."* All of you should repent and receive Me, Jesus Christ, and do your repentance properly, and do it quickly.
- o. Do you know that all of you have so many problems, and how can you say that your Father in heaven do not give you a lot of grace? All of you are difficult people, that is the message. All of you, actually you cannot do anything good, but your Father in heaven love you, He give you His only begotten Son, that is Me, Jesus Christ. Please read Rome 5:8, John 3:16. That's why that's why all of you, now, be hurry to repent and receive Me, Jesus Christ, and do your repentance properly. Remove the old serpent now from your life. Do not make further delay to repent and do your repentance properly, don't you know that time will come when no one can do work. All of you have problems, and don't you see that your Father in heaven really really love you? Don't worry about nothing, just turn your back, turn your back and return to your Father in heaven. Your Father in heaven is waiting for you. Please read Matthew 21:28-32. Do pray our Father in heaven prayer. Please read Matthew 6:9-13.

- b. Problems with their sins. You should do the same: repent and receive Me, Jesus Christ, and do your repentance properly, all corners of the world. Please read Isaiah 45:22-25.

This article is written by Me, Jesus Christ. Me allow you to read this article in order you can repent and receive Me, Jesus Christ, and do your repentance properly. Me allow My messenger, that is this writer, to type this message in order you can repent and repentance properly. This messenger only carry the message of Me, Jesus Christ. Please read Matthew 10:27, Jeremiah 1:7-8. The message is: be hurry be hurry to repent and receive Me, Jesus Christ, all corners of the world. Please tweet this message and distribute it to all your friends quickly.

## Cultural approach in evangelization

Christian people who work in evangelism think that cross-cultural evangelism is the most difficult to do for evangelization. They think that cross-cultural evangelism need special person who can take care people @in different cultures. That is why Dr. Ralph Winter address this question in his paper (a), the essence of his paper is that there are two types of evangelization: Home Ministry (HM), and Foreign Ministry (FM). And then he combine these types with four evangelism situation, that is E-0 (Christian people at name only), E-1 (Christian people in the same nation), E-2 (Non-Christian people with similar culture), E-3 (Non-Christian people with different culture). The problem is that special person who do cross-cultural evangelism is very few, because that would require a lot of time to educate those missionaries who can do cross-cultural evangelism. Further problem is that introducing FM may cause misinterpretation, that is why We introduce FE instead for 'Foreign Evangelization,' and HE for 'Home Evangelization.'

Actually we can consider another type of approach for doing cross-cultural evangelism, that is Social Network Evangelization (SNE). A number of experiments have shown that one can reach any given person in only few steps. We can call that 'six degree of separation' principle (b). For example, if you have to send an ordinary mail to a person who you don't know, and he lives in Finland, then you can always find someone who is nearer to the person who should receive the letter. We extend further the 'six degree of separation' principle into evangelism situations, that is by introducing social network (c).

Ralph Winter consider evangelism situations with these two types of evangelization, that is:

HE-E-0: Home Evangelization for Christian people at name only

HE-E-1: Home Evangelization for Christian people in the same nation

HE-E-2: Home Evangelization for non-Christian people with similar culture

HE-E-3: Home Evangelization for non-Christian people with different cultures

FE-E-0: Foreign Evangelization for Christian people at name only

FE-E-1: Foreign Evangelization for Christian people in the same nation

FE-E-2: Foreign Evangelization for non-Christian people with similar culture

FE-E-3: Foreign Evangelization for non-Christian people with different cultures

Evangelism institutions often think that foreign evangelization require extensive education, and only few persons can do that. Considering that time is very very limited, then it is necessary to reach as many people as possible, in order that all people from all corners of the world will listen to our Father's Voice. Please read Isaiah 45:22-25, Matthew 28:18-20. That is why We consider the Social Network Evangelization, which mean that evangelization can be done with the help of social network. Therefore the evangelism situations can be extended with:

SNE-E-0: Social Network Evangelization for Christian people at name only

SNE-E-1: Social Network Evangelization for Christian people in the same nation

SNE-E-2: Social Network Evangelization for non-Christian people with similar culture

SNE-E-3: Social Network Evangelization for non-Christian people with different cultures

Some Christian people think that it is difficult to do Social Network Evangelization (SNE) because they would have to send plenty of postal mails. Thanks to new communication technologies, people can do evangelization with social media. Actually evangelism require you to meet people in person, but the purpose of evangelism is to distribute the Good News quickly, and that is why We can consider that evangelism can be done with social media methods. Of course, great evangelists like Billy Graham can continue mass evangelism (d), but they can urge Christian people to do their part with social media.

Now we will discuss each of these methods. You should remember that you should pray and ask to God first before you do evangelism with social media, because you don't know the effect. You should be careful with what you are doing and to whom you send message. And you should remember that this method is only to help you to introduce the Good News to new Christian people, don't do that to send message to non-Christian people, and don't do that to send message to threaten people, and don't do that for trapping people in order they fall, and don't do that to connect to anti-Christ. We should emphasize here, you should repent and receive Me, Jesus Christ, and do your repentance properly before you do evangelism, and before you send the message that Jesus Christ. We say again, you should pray and ask to God first before you do evangelism.

You should remember that social media is only to help you to send the message of Good News quickly, you are allowed to do evangelization with social media only as per necessary. Do not push yourself to do evangelization with social media, and you don't have to buy new phone in order to do that. You should do your repentance properly before you do evangelization with social media, and you should also speak about Jesus Christ at least to four people each day in your life, and don't do evangelization at all if you only want to

chat with your friends with social media. Chatting is not evangelization. You should pray and ask to Holy Spirit first to guide you before you do evangelization.

- a. SNE-E-0: you can do with electronic mail, short message, facebook, electronic newspaper, youtube, and the most important invite them to <http://www.tangle.com>
- b. SNE-E-1: you can do with electronic newspaper, television, radio
- c. SNE-E-2: you can do with Tangle, Tagged, hi5, even actually the last two media is not acceptable for doing evangelism
- d. SNE-E-3: you should reach them with Twitter, and other method of rapid short messaging. Even better if you can translate first into the language of people whom you plan to read. There are other methods of social media and social bookmarking like MySpace, but your Father in Heaven do not approve them.
- e. SNE-E-4: in another article we discuss evangelism situation which consider Non-religion people and difficult people, they are people who need special care actually but your Father in heaven really really love them. You can reach them with facebook, blogger, youtube, publishing guide to repent and receive Me, Jesus Christ.
- f. SNE-E-5: there are people with personality disorder. They can do things beyond imagination of human being, like trapping people in order to make them fall, and then they will use their falling as an excuse to terminate those people. And they pray, pray, pray to request that their family should executed forever. Actually their problem is that they feel that they are already doing good things for Kingdom of heaven, but actually they only do to many sins in their life. Please read Jeremiah 5:26-31. How to take care these people? You can only do social media in order to invite them to meet in a group of people with similar problem. And then introduce them to the Good News, and tell them that they really really need to repent and receive Me, Jesus Christ, and do their repentance properly. Other people suffer split personality disorder, actually they already do too many sins in their life. They need to repent too and do their repentance properly. Some of them require proper medical treatment, therefore it would need to invite people with special training in psychiatry clinic. Some of them do not surpass the development stage as described by Jean Piaget, they need special counseling.

We summarize these evangelism situation in the following table:

	E-0	E-1	E-2	E-3	E-4	E-5
HE	HE-E-0	HE-E-1	HE-E-2	HE-E-3	HE-E-4	HE-E-5
FE	FE-E-0	FE-E-1	FE-E-2	FE-E-3	FE-E-4	FE-E-5

SNE	SNE-E-0	SNE-E-1	SNE-E-2	SNE-E-3	SNE-E-4	SNE-E-5
-----	---------	---------	---------	---------	---------	---------

This article is written by Me, Jesus Christ. Me allow you to read this article in order you can read and repent and receive Me, Jesus Christ, and do your repentance properly. Me allow My messenger, that is this writer, to type this article in order you can repent and do your repentance properly, and then you can help to do evangelism according to God's Will in your life. That is the message: be hurry, be hurry to repent and receive Me, Jesus Christ, all corners of the world. Please tweet this message and distribute this message quickly.

## How you can know that you do work for the Kingdom of Heaven

Christian people often think that it is easy to work for the Kingdom of Heaven. You can do work for the Kingdom of heaven with your own mind, with your own soul, with your own heart. Actually it is a wrong belief. To do work for the Kingdom of heaven actually require you to repent first, stop doing all your sins, and receive Me, Jesus Christ. And you should read the Apostles' Creed and the Nicene creed in church. You should be able to read at least one of the creeds from your memory without reading text. To be able to do that you should practice to read these creeds numerous times and attend weekly sermons regularly.

To work for the Kingdom of heaven mean that you should do God's Will in your life. That would mean that you should listen to your Father's Voice. You should know that it is important to listen to your Father's voice otherwise you will spoil your life, even if you spend your whole time to preach, preach, preach in your life.

Take your breath and please read Matthew 7:21-23.

In order to do work for the Kingdom of heaven, and to do that in a way that will please your Father in Heaven, you should pray each morning and ask to Holy Spirit to guide you, and Holy Spirit will guide you each moment in your life. You should know that everybody who do work for the Kingdom of heaven will find that it is difficult to continue his life as a normal working people. They will find so many obstacles in their life, especially from their close relatives. Their relatives will find every reason to make them spoil their life for doing small things only. Please read Matthew 5:10-12.

Your Father's will actually is quite clear, you should be compassionate and merciful, because your Father in heaven is compassionate and merciful. Please read Matthew 9:9-13, 18:27. ## How you can do evangelization even if you have only two bread

Christian people often think that they cannot do evangelization, even if they really want to do that, because they find themselves lack of theology education, and they do not join an evangelism ministry, and they are only college students, street workers and professors. They think that it takes a long long time to be specialist in evangelism, and they are not prepared for doing that.

Actually it is not quite true. You can do evangelization even if you are not a preacher and you do not join an evangelism ministry, and you only do have two bread and five fishes. You can do something great, but you should repent and receive Me, Jesus Christ, and do your repentance properly. After that you should read the Apostles' Creed and Nicene creed, and you should be able to read at least one of these creeds without reading text, that would mean you should practice to read these creeds numerous times until you can read them without reading text, and you should also attend weekly sermons regularly. And you should pray and ask to your Father in Heaven to help you to do His Will in your life.

You should know that evangelization require a lot of prayer work, and the fruits are the result of Holy Spirit's work. The most important thing is you should do evangelization according to what Holy Spirit guide you.

Take your time and please read Matthew 14:13-21.

The principle that our Father teach us today is that evangelization can be done if you give all you have and give them to Jesus Christ. And the first thing is you should give yourself, and do your work for the Kingdom of Heaven and you should love God with all your heart, with all your soul, and with all your mind. You should find someone who is hungry around you, give your bread away to him. And you should also tell him that the bread are from Jesus Christ. Tell him that Jesus Christ come to earth to save him. For God so loved the world, that He gave His only begotten Son, Jesus Christ, that whosoever believeth in Him should not perish, but have everlasting life. Please read John 3:16.

## How to pray one liner prayer

Christian people often think that they need to pray a long prayer in order that their prayer is answered. Some of them also think that they have to pray over and over again repeatedly. They pray for more houses, they pray for more cars, they pray for more business. Actually that is not pray, that is greed.

You should know that We really really love you, and your Father in Heaven know what you need before you pray. Please read again Matthew 6:25-34. That's why don't worry about anything. If you worry about anything, that would mean you lack of faith. You should pray only what you need, and pray according to our Father in heaven prayer. Please read Matthew 6:9-13.

In order to pray properly, you should repent and receive Me, Jesus Christ, and do your repentance properly. You should also read the Apostle's Creed and the Nicene creed, you should be able to read at least one of these creeds from memory without reading text. That would mean you should practice to read these creeds numerous times and attend weekly sermons regularly.

Don't you know that now is the time of tribulation? And in time of tribulation you should not talk too much, you can talk but talk only as per necessary. Talk only as less as possible, and walk as much as possible. That is how you can survive from so many temptations which happen to be asked by someone who want to trap many Christian family, in order it can survive itself.

You should pray, but pray with as minimum words as possible. Today God teach you how to pray with one liner prayer, just follow these examples.

'Father in Heaven, thank You. Amen.'

'Father in heaven, we thank You for this bread and this drink. Amen.'

'Father in heaven, we thank You for the Bible. Amen.'

'Father in heaven, we thank You for the rest You give to us today. Amen.'

'Father in heaven, we thank You for the time to use this computer today. Amen.'

'Father in heaven, we thank You for this one passenger vehicle that You give to us. Amen.'

'Father in heaven, we thank You for Your lesson and wisdom today. Amen.'

'Father in heaven, we thank You for health that You give to us. Amen.'

'Father in heaven, we thank You for Your help so we can speak about Jesus Christ. Amen.'

'Father in heaven, we thank You for the time You give us to praise You. Amen.'

'Father in heaven, we pray for (mention someone) so he/she repent and receive Jesus Christ. Amen.'

'Father in heaven, we pray for (mention someone) so he/she be saved forever. Amen.'

You should also pray to Me, Jesus Christ, as per necessary. And you should not pray to Me too often, and do not put 'Amen'.

'Jesus Christ, thank You for Your salvation work.'

'Jesus Christ, thank You for Your leading and Your help.'

'Jesus Christ, thank You for healing us.'

You should also pray to Holy Spirit each morning and ask to Him to guide you. Pray often to Him before you do something and ask for His guide.

'Holy Spirit, thank You for Your guide and Your help.'

Pray only according to what Holy Spirit guide you, I repeat, pray only according to what Holy Spirit guide you. Do not follow false priests who teach how to pray, but actually it is only human teaching.

Love, Jesus Christ

## Why you should be children again

Christian people often think that they are already saved by Jesus Christ after they receive Jesus Christ, and that is true, the problem is: some people use that gift by grace of God to maximize their utility, and one of them even dare to ask for money if he decide to become Christian and do his repentance properly. They were told by someone or they read somewhere that once they receive Jesus Christ, and their problem is solved, and then they make mistake: they think that after that they are allowed to do whatever they like in order that they can receive more and more of God's grace. Please read Rome 6:15. How can we call another cruel plan like that? Me, Jesus Christ, call it really really cruel. It is cruel if you receive Jesus Christ only to make many more sins in your life, in order you can do whatever you like in your life, and by the end of your life you will ask to God to give you His grace, because He already promise it to you. Please read Jeremiah 3:5. And you plan to claim Him based on His promise. How dare you argue with God Himself?

That kind of mistake can be called Corinthian mistake. Please read the first epistle to Corinthians 2:14. The mistake is that there are some people who are so twisted, that is why they plan to play around with God's grace, and they always find rationalization in order that they can delay, delay, delay to do repentance properly until time is too late. Some of them make an excuse and say that the mistake is : that is their culture. That is not an excuse, because you should be responsible for doing any mistake.

It is called corinthian mistake by My messenger, even if he cannot find the correct verse, and Jesus Christ approve that term and Me help him to be more useful with his term. Me allow him to think that he find it first, although actually the verse was written literary speaking one thousand and nine hundred years ago. There is nothing new actually, but it is alright. Today your Father in Heaven teach you what is corinthian mistake, what is roman mistake, what is Pharisian mistake, and why you should be children again.

We call it corinthian mistake, because My messenger, that is this writer, realize that the idea is a gift by grace of God. That is how your Father in heaven teach him, because We really love him. Now We explain the meaning of corinthian mistake. That is introduction to the first epistle to Corinthians.

Corinthians did their life in their old way, even after they already became Christian. They thought that God's grace is their right because they chose to be Christian people, and they thought that they were allowed to continue their old lifestyle. For them it is worthless to follow the teaching of Jesus Christ, and they thought that their lifestyle was wonderful. Actually they worship their tradition, and that is a blasphemy. That is the meaning of

corinthian mistake, as per described in the first epistle to Corinthians 2:14. That is why they continued to do so many cruel behavior, just read Corinthians from 4:6 until 6:20, and chapter 8.

Yes, they are gentile, but their behavior is really really unacceptable. Those people call themselves doing 'tolerance' and 'gentlemen.' Actually that is serving two masters. Please read Matthew 6:24.

They say, 'Let us eat, and let us drink, because tomorrow we will die.' I say that is cruel, don't you know that you should do repentance? And don't you know that you should be careful with your mouth? And how dare you to speak blasphemy to God, who are you? Don't you know that God is really really angry if you do something like that, that is continuing your old lifestyle and saying that what you are doing is what Jesus Christ teach? Don't you know that such saying is badmouth to Jesus Christ? Don't you know that you should fear God only?

Take your time and please read Matthew 10:28.

"And fear not them which kill the body, but are not able to kill the soul: but rather fear Him which is able to destroy both soul and body in hell."

Don't you know that planning to do whatever you like after you become a Christian is really really cruel? And that is a character of the false priest, he want to do whatever he like and plan to ask for God's mercy. Please read Jeremiah 3:5. Another Christian people plan from the first day he got Bible, that he will do whatever he like in order he will receive more of God's grace. Now We, not My messenger, call that as 'roman mistake.' My messenger would like to type 'Please read Rome 3:7, and then he read on and he find other relevant verse Rome 3:31, and then he also find another relevant verse, that is Rome 3:8.' I agree with him, even he forgot the correct verses, and he searched the chapters in the epistle to Rome one by one.

Actually that is the theme of the epistle to Rome, and this article is also introduction to the epistle to Rome, and that is salvation by gift of grace of God. And the roman mistake is Our term for people who plan to keep being nominal Christian while they want to do whatever they like, in order they will receive more and more of God's grace. Please read Rome 6:1, 6:15.

They think that they can do as many sins as they like, because God is merciful. And they plan to claim God's grace as their right, even if they do not do their repentance properly. We call them 'arrogant' and 'worship themselves.' They worship themselves because they think they are smarter than other people, and then they prepare a full set of claim document as if they deserve a right to receive God's grace without repentance. Some of them are even more cruel, he plan to bill God if He do not give him repentance and salvation. How can you think something cruel like that? How dare you to play with God's grace?

Some people are more cruel, they do not repent, and they trap, put so many obstacles, and say badmouth to Christian people who want to enter the Kingdom of Heaven and do their repentance properly. We call it 'the false priest.' My messenger can find one relevant verse, that is Matthew 5:20, and I agree, even if actually he look for a different verse. Now I give him help, and I order him to type : Please read Matthew 23:13. Now he find the correct verse, and he know I already say that word two thousand years ago.

Actually all of the plan of these cruel people are already known. They think that they discover a new way to maximize their utility, that is to do as many sins as they like, while keep their status as nominal Christian. That is very very cruel. Read again, I repeat, read again Jeremiah 3:5. They do not want to repent at all, and only want to receive God's grace at the end of their life, after they do so many sins and blasphemies. That is why they will not receive forgiveness, because they hate the Light from Heaven, they only want darkness. Please read again John 1:1-11.

You should be children again, and that is the meaning reborn. And do not do yourself, if you do that yourself you will be animal. You should know that reborn is a gift by grace of God, repentance is also a gift by grace of God. Please read Matthew 18:3-4, John 3:1-21. But you should remember that you should do repentance properly, because you have done many many sins in your life. That is the meaning of repentance as a gift by grace of God: you should pray and ask to God, and ask to be given repentance so that you can repent and do your repentance properly.

That is the meaning of Matthew 18:3-4, you should repent and receive Me, Jesus Christ, and stop doing all your sins. You should be compassionate and merciful. Please read Matthew 22:37, and Matthew 6:12. That is introduction to how to understand properly the Gospel according to Matthew.

## Be compassionate

Christian people often think that they already work for the Kingdom of Heaven and do that work properly. They think it is enough to work hard, take care their family, educate their children, plan their retirement, and so on. They often call it a life. This is called Weberian ethics. And most Christian people believe that they must follow this ethics in order they can work for the Kingdom of heaven. It does not mean that you should not work for your family, but you should work for the Kingdom of heaven first. That is the principle. Please read Matthew 6:33. You should be diligent, but you should multiply your talents and make fruits in your life. That is your Father's Will. Please read Matthew 15:14-30.

Actually those people work only for themselves only worry about their life. They worry about what they wear and what they eat tomorrow. You should know that your Father in Heaven know what you need and that you need them. And it is a blasphemy to think that you know much better than your Father in heaven what is best for you. Please read Matthew 6:24-34.

That is the same teaching with the Old Testament. God do not approve all of you who only secure your own life. That is called selfish.

Take your time and please read Jeremiah 5:25-28.

The principle that Me, Jesus Christ, teach us is: be compassionate and love each other. Please read Matthew 9:9-13, and 18:27. Be compassionate means that you should be merciful because God is merciful. God is merciful and compassionate that He give His beloved Son, Jesus Christ, in order that whosoever believe to Me, Jesus Christ, will not be punished but will have everlasting life. Please read John 3:16.

In principle, to become compassionate you should take care people in the following categories:

- a. Personally: take care your life, repent and receive Me, Jesus Christ, and stop doing all your sins. And then make a fruit in your life, that is yourself.
- b. Socially: take care other people that God give them to you to take care. That would mean you should take care your family, take care those who are needy and hungry among you. Do not put obstacles to your family in order they will die sooner than the life that God give to them. Do not put poison to your family in order you can get their insurance claim. Do not think that God do not see your heart and how you plan that to your family. And do not even think that you can ask for God's mercy later, after you complete your cruel plan. Please read Jeremiah 3:4-5. It is also cruel to

make your family fall because you take all of their blessing, in order you can survive yourself. It is even more cruel to put so many traps to your own family by yourself. Please read again Jeremiah 5:26. That is evil work.

- c. As a society: Release those who are caught without a reason, especially if they are caught because someone do false witness against them without proper reason and without proof. That is evil work too, because it is pure evil to make other people suffering without reason. And some people do it on purpose to take advantage of poor people, especially those who do evangelism. Please read Matthew 5:11. Don't you think that God see your evil plan and stop you from doing that? The principle is: bring justice to all people among you, especially those who have nothing. Take care widows and orphans among you. Take care those who are needy and poor. That is the principle of good society: be compassionate and merciful, because God is compassionate and merciful.

That is the message: be hurry to repent and receive Me, Jesus Christ, all corners of the world. Me will come again very very soon. You must repent and stop doing all your sins, and receive Me, Jesus Christ. Otherwise you will not make fruits at all in your life.

This article is written by Me, Jesus Christ. Me allow you to read this article in order you can repent and receive Me, Jesus Christ, and you can repent properly. ## How some people do get orb

Christian people often observe that there are pictures of saints with orb on their heads. And they figure out that there should be a meaning for that orb. Actually orb is a gift by grace of God for people who keep their clothe white. That is the meaning: orb is a crown of life. Please read the Revelation to Saint John 2:10.

And some people ask, how can you get that orb? Answer from Me, Jesus Christ: you should give yourself to be purified. You should repent and receive Me, Jesus Christ, and do your repentance properly. You should know that doing your repentance properly is required in order you can be purified. And you should pray often in order your Father in Heaven help you to be purified. You should read Apostles' Creed and Nicene creed, and you should be able to read from memory without reading text at least one of these creeds. That would mean you should practice numerous times to read these creeds and attend weekly sermons regularly.

You should pray and ask to God first what is His Will in your life. And you should do your best to accomplish your work, that is your Father's will.

This article is written by Me, Jesus Christ. Me allow you to read this article in order you can repent and receive Me, Jesus Christ, and do your repentance properly. Your Father in heaven know that you need help in order you can be purified, that is why He give you Holy Spirit to guide you each day, but you should pray each morning and ask to Holy Spirit to guide you. And Holy Spirit will guide you each moment in your life.

That is the message: be hurry, be hurry to repent and receive Me, Jesus Christ, all corners of the world. Please tweet this message and distribute it to all your friends quickly.

## Amazing Grace

Amazing Grace, как сладкий звук,  
 , Которая спасла негодяй, как я.  
 Я когда-то было потеряно, но теперь я нашел,  
 Был слеп, а теперь вижу.

T'was Грейс учили, что сердце мое в страхе.  
 И благодати, мои опасения облегчение.  
 Какой же драгоценный Грейс появляться  
 Первый час я верил.

Через много опасностей, труды и ловушки  
 Я уже пришел;  
 'Тис Грейс, которая привела меня до сих пор безопасно  
 и Грейс приведет меня домой.

Господь обещал добра ко мне.  
 Его слова защищает мои надежды.  
 Он будет мой щит и будет часть,  
 Как течение всей жизни.

Да, когда эта плоть и сердце должны выходить из строя,  
 И смертных жизнь прекращается,  
 Я буду обладать за завесу,  
 Жизни, полной радости и мира.

Когда мы были здесь десять тысяч лет  
 Свечения, как солнце.  
 Мы не меньше дней, чтобы петь хвалу Богу's  
 Чем тогда, когда мы первые начали.

Amazing Grace, как сладкий звук,  
 , Которая спасла негодяй, как я.  
 Я когда-то было потеряно, но теперь я нашел,  
 Был слеп, а теперь вижу.

## In English: Amazing Grace Lyrics

John Newton (1725-1807)

Stanza 6 anon.

Amazing Grace, how sweet the sound,  
That saved a wretch like me.  
I once was lost but now am found,  
Was blind, but now I see.

T'was Grace that taught my heart to fear.  
And Grace, my fears relieved.  
How precious did that Grace appear  
The hour I first believed.

Through many dangers, toils and snares  
I have already come;  
'Tis Grace that brought me safe thus far  
and Grace will lead me home.

The Lord has promised good to me.  
His Word my hope secures.

He will my shield and portion be,  
As long as life endures.

Yea, when this flesh and heart shall fail,  
And mortal life shall cease,  
I shall possess within the veil,  
A life of joy and peace.

When we've been here ten thousand years  
Bright shining as the sun.  
We've no less days to sing God's praise  
Than when we've first begun.

Amazing Grace, how sweet the sound,  
That saved a wretch like me.  
I once was lost but now am found,  
Was blind, but now I see.
