how you can explain properly a guide to help people to repent and receive Me, Jesus Christ

by Jesus Christ

Some people think that a guide to help people to repent and receive Me, Jesus Christ, is too complicated and that is why: they pick up another tractate or pamphlet from another church, and sometime they do not have willingness at all because they do not even know where to begin to speak about Me, Jesus Christ. The guide can be found in online version in more than forty language, and that is: <http://www.esnips.com/web/guidetorepent>. Don't you know that if you do not want to speak about Me, Jesus Christ, at all in your life, then the meaning is that you are really really really really really cruel and you do not have heart at all. Don't you know that if you have heart and you be compassionate, then you will recognize that so many people do not listen yet to the Good News.

In order you to realize all the hidden meaning behind the guide to help people to repent and receive Me, Jesus Christ, you should know that so many people in every country in the world need the guide to help them to repent and receive Me, Jesus Christ. Don't you know that if you do not see that harvest time is almost over, then the meaning is that you really really really really do not repent at all. And some of you do not like the idea that everybody from so many country and from so many tribe in the world should repent, in particular if your family have a number of previous problem with another tribe which is different different than your family's tribe. There are so many cause and reasoning which develop inside your mind and become a mental block which make you reluctant and literally speaking heartless from taking care all people around you, literally speaking. Those reasoning may include one or more of the following:

- a. Your perception that evangelism should be carried out professionally by a famous and reputable preacher and they should do in massive way, for example with more than ten thousand audience.
- b. Your perception that other people with different race or gender cannot repent at all. For example: if you follow some kind of aryan Christian, then you will tend to discriminate other people from listening to My Voice, for example: hispanic and mexican and afro-america tribe.
- c. On the other side: some people who are afro-america are upset with other people especially Christian people who do not have fear at all to all of them and they only fear of God. Don't you know that if you make people scary of you, and then you will be ousted from your office or from your university, then that is your fault, and that is not evangelism at all.
- d. Your perception that only your language is the best language in the world. Don't you know that actually your Father in Heaven can handle all of you with more than three hundred language.
- e. Your perception that you work in the best industry, and that is why: you skip all people who do not work in the same industry, for instance you think that all tax collector like Matthew cannot repent at all, similarly you may think that a movie actor or a pop music singer cannot repent at all. Don't you know that your should have compassionate, otherwise what you are doing is not according to your Father's Will in your life.
- f. Your perception that only your college or your research institute or only your church can repent, and other college and other university should not repent at all.
- g. Don't you know that if you do not repent and do your repentance properly, then you will find that you are very very very very very lazy and reluctant to do meaningful work for the Kingdom of Heaven, and don't you know that the punishment will be even more severe and severe especially if you bury your talent for numerous year numerous year. Read again and again and again and again and again the book of Gospel of Matthew 25:11-27.
- h. Don't you know that if you continue to wear black sunglasses and that is actually your mind perception doing filtration to determine which people who are allowed to enter to the Kingdom of Heaven, then the meaning is that you become as cruel as pharisian people who always put obstacle to other people but they do not even touch that burden. Read again and again and again and again and again the book of Gospel of Matthew 23:11-22.
- i. Some people do not want to do evangelism at all because of so many pressure as a Christian, another people are too worry about themselves especially because they have some not so bright family story in the past which then they used to find an escape by blaming other people, and even if they repent and receive Me, Jesus Christ, then they do not follow Me, Jesus Christ, only. and that is the message: do not

do again all your sin and do not allow yourself to be scared of by the false priest and even if you succumb to the darkness power in the past, do your best to not surrender anymore to the darkness power.

Don't you know that actually the guide to help people to repent and receive Me, Jesus Christ, can be simplified in one word that you often call as mnemonic: r-e-p-e-n-t-t. the following is simplified description why the guide can be found really really really really really meaningful if you really really really really really want to be a good disciple of Jesus Christ.

- a. Recognize: do your best to recognize and admit in front of God, that you already make so many mistake in your life.
- b. writeE: write your mistake and all your sin up to now in a blank sheet of paper, do not mention general mistake and sin, but write exactly the sin and to whom you do that sin, and also when you do that. Admit that you also do numerous sin which you do repeatedly because you are compulsive or obsessive, and you do that without even thinking. After you write those sin in a blank sheet of paper, write a vertical line and then in the right side put your promise how you can repair the damage that you already cause while doing the mistake and sin. That is very very very very very important principle: after you admit in front of your Father, then do your best to not repeat again all your sin, and also repair the damage that you cause, and also do your best to ask for apologize to all people who become victim of your mistake. Read again and again and again and again and again the book of Gospel 9:9-13. The following table is only an example to help you clarify how you can do admit your mistake and your sin one by one. Do remember that you should not skip this step and jump to other step, otherwise you will not repent and do your repentance properly.

In order you to do your repentance properly, that would be good for preparation if you do fast for one or two day, and that is from ten p.m. to the next day at 12 a.m., and do your best to drink hot water only outside that fast period. And do your best to read a prayer in the last page of the guide to help you repent and receive Me, Jesus Christ, and do pray according to that our Father in Heaven prayer.

Table 1. example of how you can complete step number two properly

Description of you sin	Plan to repair the damage	Completion status and date
Do not return book from library for one year	Return that book immediately today, and ask for apologize from the librarian. And do not do	Completed today, 17 march 2010

	that mistake again.	
Do not pray often, and do not say thanks to your Father in Heaven	Pray according to our Father in Heaven prayer quickly quickly five time, and pray and say thanks too to your Father in Heaven.	Completed today
Do listen to so many pop and rock music and do not have time anymore to pray	Stop listening to non-spiritual music especially pop and rock music, especially non-Christian music. Burn all compact disc and disc player of so many pop and rock music.	Completed today
Speak harsh word to your mother and father only because they do not have money anymore to give you	Ask for apologize because you often speak harsh word to your mother and your father in earth.	Completed today

- c. Pray: pray according to text that is included in step number three. And put your complete name instead of blank ... Pray quietly in a room and pray meaningfully. Read again and again and again and again and again the book of Gospel of Matthew 6:6-7.
- d. Ensure yourself: be assured that you now already repent and admit your sin one by one in front of your Father in Heaven, and you already receive Me, Jesus Christ. Do your best to read the book of Gospel of John 3:16, and you should be convinced that Me, Jesus Christ, already save you from all your sin. Don't you know that salvation that you receive is actually very very very very very great, and that is why: never think to denounce again your faith, because if your heart empty than a number of unholy spirit will take over your heart again, and you become ten times as evil as before. And do your best to not to speak harsh and do not plan cruel thing to other people around you, even if they treat you improperly. Read again and again and again and again and again the book of Gospel of Matthew 5:43-48, 12:43-45.
- e. Never stop to learn: Ask to a preacher in a church to help you to comprehend better the Bible, but do not ask for help to a number of prosperity theology preacher and do not go to satanic organization's ceremony either. And do not forget that fear of

God is beginning of knowledge. Read again and again and again and again and again the book of proverb chapter 1. Attend sermon regularly in a nearest church, and especially do ask first if they are conservative church, and even better if you can go and ask your name to be registered in a catholic church. Don't you know that you can also find a number of book that were written and dictated by Me, Jesus Christ, but you should learn properly, and that is how you can learn properly and meaningfully: do not be hurry to swallow all those book that Me, Jesus Christ, just focus to one or two problem that you already make commitment in step number two that you promise in front of your Father in Heaven that you stop doing again that mistake and sin, and you also plan to repair the damage that you cause. Each day, do your best to pray to Holy Spirit numerous time and ask Holy Spirit to guide you what you should do in your life.

- f. Talk about Me, Jesus Christ, to all member in your family and to all your college student (if you are a student) and also to all your office colleague. Then ask a number of friend to gather and tell them how Me, Jesus Christ, help you numerous time and also Me heal all your wound.
- g. Teach all people who become interested but they should repent and receive Me, Jesus Christ, first before they can begin to practice the same guide for their family and colleague by themselves. Do not forget to give away to those people who are interested, or allow them to copy from your copy of a guide to help people to repent and receive Me, Jesus Christ.
- h. The above seven step are only a basic step in order you can repent and do your repentance properly. And that is why: do your best to work all the seven step completely without skip a step especially do not skip step number 2, because otherwise you will be only a Christian but you will not do God's Will in your life. Don't you know that if you think you are always in hurry and no time at all even for write all your sin and then ask for forgiveness from your Father in Heaven, then how can you accomplish another duty from Me, Jesus Christ?
- i. Thereafter you should give yourself to be baptized with a ceremony in a church of Jesus Christ. Some people insist that you should be baptized exactly like a number of people in early Christianity age, but actually the most important is you should repent and do your repentance properly. And then you should also pray to God in order you can be baptized with fire from Holy Spirit. And do your best to read the apostle creed and the Nicene creed in a nearby church. Don't you know that at the End of Time, Me and My Father will sit and you should be able to read at least one of those two creed completely without reading text, and that would mean that from now on you should attend sermon regularly each Sunday and you should also practice to read the Nicene creed and the apostle creed numerous time until you can read one of these creed completely from your memory without reading text.

- j. And after the step number seven are completed, do your best to talk more and more and more and more and more and more about Me, Jesus Christ, and do your best to keep your clothe white, and then you will be given the crown of life. Read again and again and again and again and again the book of Revelation 2:5-7.

Thank you, thank you, thank you, thank you, thank you, Me already help you.
Love, Jesus Christ
